## What is The Big Event Tallahassee?

---

The Big Event Tallahassee is the largest student-led service organization in Tallahassee, uniting hundreds of students from Florida State University, Florida A&M University, and Tallahassee State College. Our service events include The Little Event in the fall and The Big Event in the spring.

During The Little and Big Event, FSU, FAMU, and TSC students will travel to various nonprofit organizations, businesses, and residences around Tallahassee to help out with anything they may need. Many community members normally request (but are not limited to) gardening, raking, leaning, mulch spreading, weeding, painting, sorting donations, archival work, and general spring cleaning. If you have any questions about this list or what else may be included, please feel free to contact us.
